

MOTORCYCLE DEDICATED AREA PARKING -- \$90.00 PER MONTH

The Fifth & Mission Garage hereby offers (upon availability) a monthly access rate of **\$90.00** per month for rental of one (1) parking space on a calendar month basis, commencing on the first day of each month and continuing through the last day of each month. A nonrefundable one-time 'activation fee' in the amount of **\$37.00** will be charged at the time of the initial contract signing. The Garage accepts "**Credit Card Only**" for monthly contract payment. In the event of the Credit Card being rejected by the bank, a **\$25.00** bank fee will be applied. Motorcycle Random Regular Parking is located in the dedicated motorcycle parking area accessed via Minna Street (Minna Street is the only motorcycle entry/exit available in the Garage). A motorcycle parked in any area other than the dedicated motorcycle area must pay the rate posted for the general vehicle parking area.

1. Monthly parking rental is due and payable under this agreement on the 25th day of the preceding month, and must be paid no later than 5:30 p.m. on the last business day of the calendar month after the due date. Payments received after 5:30 p.m. on the last day of the month will be assessed a \$37 late fee per card
2. **NO EXCEPTIONS!** This contract requires a minimum three (3) month agreement. The monthly contract rate is on a calendar month basis and is not prorated. No deductions or allowances from the monthly rate will be made for days the contract holder does not use the parking facility (including vacations). In addition, no allowance will be made if the monthly pass is forgotten. If such an event occurs, the contract holder will be charged as a regular patron and the regular daily rate will apply
3. This agreement provides for rental of a parking space and no bailment, expressed or implied, is created. The contract holder agrees to hold the Fifth & Mission Yerba Buena Garage harmless of any damages or injury, including, but not limited to theft or damage to contract holder's motorcycle or contents thereof. The Fifth & Mission Yerba Buena Garage does not guard or assume liability for contract holder's motorcycle or motorcycle contents.
4. A monthly parking pass will be issued at the time this contract is executed and payment is made for the first month rental. If a pass is lost, a **\$37.00** replacement fee will be charged. This Pass remains garage property and must be returned to the garage upon termination.
5. The contract holder is required to display a "Motorcycle Identification Sticker" on the rear fender of the contracted motorcycle. The motorcycle must be parked into the stall so that the "ID" sticker is visible – do not back into space.
6. If the monthly parker is driving a motorcycle other than the registered motorcycle, a "Loaner Permit" (for contract holder identification only) must be obtained from the parking management office for the period of time the alternate motorcycle is in use. The monthly parking Pass must be presented to obtain a temporary loaner pass.
7. This agreement licenses the contract holder to park one motorcycle in the facility. Entry and exit with the parking pass is for the registered motorcycle only. The contract holder is to park and lock his/her own motorcycle at his/her own risk.
8. The garage reserves the right to adjust rates upon a 30-day notice to contract holder. This notice will be posted at the parking facility.
